

## Technical sales assistant (m/f) at our location in Munich

### Your interesting tasks at our company will include:

- ▶ General clerical sales work (including preparing bids, drawing up bid calculations, maintaining the customer database)
- ▶ Prepare visits to customers by our product specialists and subsequently draw up reports
- ▶ Create presentations, data sheets and customer information documents
- ▶ Implement and process marketing tasks
- ▶ General administrative tasks
- ▶ Assist at trade fairs

### You will contribute to our company with the following personal attributes:

- ▶ Completed technical apprenticeship or similar qualification
- ▶ Technical understanding in one of the following areas: Automotive, electrical engineering, HiL test benches, DSP systems, software development
- ▶ Experience in a sales environment is an advantage
- ▶ Ambition to learn graphic skills and knowledge of common graphic and layout programmes
- ▶ Good working knowledge of common Office programs and experience with CRM and ERP systems (Sage)
- ▶ Native language German, good English language skills
- ▶ Committed, goal oriented, work without supervision as well as the ability to work in a team
- ▶ Friendly and customer-oriented appearance

### What we offer you:

In addition to a varied range of tasks you can look forward to a pleasant working atmosphere in a young and dynamic team with a lot of space for personal freedom – and a company that is prepared, in every respect, to take an unconventional approach.

We look forward to receiving your detailed application!

### CANWAY ENGINEERING GMBH
